### Custom Databases for Lion Members

- Save hours of work by having your members register for banquets and events online.
- Export the information to excel for a database; create name badges and mailing labels using word.
- Save the contact information for next year.
- Searchable by name, date, membership, etc.

### Lions Club Members . . .

Our experts offer Lions Clubs, Districts, and States an avenue to become more efficient through online means. If you are looking to save time by transferring your traditional pen and paper registrations to an online, electronic source, we can custom design databases to fit your needs.

Your organization may also want to take advantage of using a custom website to market to new members, offer an efficient option to view information and download forms online or sending out newsletters to your members. Our rates are reasonable, you will find our products to be of the highest quality, and our customer service second to none.

### Custom Website Solutions for Lions Club International Members

- Designed with Content Management Systems (CMS).
- Have total control of your content and edit your website text, photos, etc from your computer.
- Add events calendar, email subscription and send out newsletters to your subscribers.
- Optional members area where you can list members, contact information, members only information.
- Offer community advertising. \*We are a private organization and not affiliated with Lions Clubs International.
- Opportunity to increase your district membership online.
- Search engine optimization.
- Much more...
