

Lions Dues Structure

The Membership counts are per records of Lions Clubs International. They will use the latest membership count reported by Secretary on the Monthly Membership Report. If reports are not being submitted, then they use the count they last have reported.

All Lions Clubs are billed twice a year by the District for dues to the State and our own District. The following invoices are sent out by the District Cabinet Secretary/Treasurer, for the fiscal Lion Year July 1 to June 30. State dues are \$10.00 per year and District dues are \$4.00 per year.

An invoice will be E-mailed or mailed to the Treasurer of each Club for half the annual dues. Therefore each billing will be for \$5.00 for State and \$2.00 for District based on the Lions Clubs International membership count as of June 30 and December 31 of each year.

The 1st Half Billing is sent out in early August for the first half of the current year – June 30 to December 31 and is due September 30. The billing amount is based on Club membership as of June 30 of each year per records of Lions Clubs International.

The 2nd Half Billing is sent out in early February for the second half of the current year – January 1 to June 30 and is due March 30. The billing amount is based on Club membership as of December 31 of each year per records of Lions Clubs International.

PLEASE NOTE: All invoices with unpaid balances after these dues dates will have a late fee charge of \$5.00

Lions International also bills the Clubs twice a year for their dues.

The first billing is sent out in July to the Club Treasurer and is based on Club Membership as of May 30 of current year.

The second billing is sent out in January to the Club Treasurer and is based on Club Membership as of November 30 of current year.

Each billing is \$19.50 per member and is due September 30.

For Lions International – all members are billed except “Life” members.

For District & State – all members are billed, including “Life” members.
