The new letter and sign up sheet is attached and will be passed out to each club at the next round of Zone Meetings. Also each club will receive raffle tickets to sell. The price at the bowling alley has gone up a little so the net budget number, if we do exactly the same as last year in teams, has decreased slightly.

I am hoping to improve on last year so a few more teams or more ticket sales would help. For the Zone Chairs & other Cabinet I am asking you to please make copies of the letter & application & talk up the bowling event up when you make your club visits.

We are changing the mix of prizes for the main raffle with cash, gas cards (gift cards) being added to hopefully spice up the ticket sales. Also PDG George & I will be working to improve the items going into the lane baskets.

Last year was a success. Help me keep this going for the district.
