Vice Governor

Cabinet Members

The clubs in the Fox River Region Zone One are starting to get a gain in membership since my last report of which I am pleased. They are showing that they are concerned on this problem of which all the service clubs are having problems with. Over all the Lions are doing much better than the other organizations but still need more improvement. We all know that membership is the base of all the club goals and should be of any help that arises to maintain this goal.

I am leaving October 2nd 2008 to go to the Senior Leadership Institute in Toronto and will return on the 6th, if they let me back. (Ha Ha). This will prepare me for my goal as District Governor and find out more about the new position of Second Vice Governor. I will be letting Lion Tom Wright PDG and the Constitution and By-Laws Committee know of the results for their proposal to the cabinet members. This is very exciting to me and I thank Lions International for this opportunity.

On the new club in St. Charles if have not received any call for help on this manner. I still would like to see a new club in this area but I do not know what has been done thus far except for when Lion Ron Fangusaro IPDG, ZC Lion Jim Addington, and myself visited Christopher Woelffer at the STC Capital Bank last year. I hope that the interest is not being lost to get this club started for I truly believe that it is possible to have a Lions Club in this area.

I am getting myself ready for the Necrology Service at the Convention in April after the end of this year. I hope to do a similar service as Lion George Endean VG did last year. Several of the lions were very impressed with what he did and I would like to continue it. This will be a very somber time for me for we lost a very good Lion in the McHenry lions Club who was Lion Tony Lytner. He was to nominate me as your First Vice District Governor and will be greatly missed.

Senior Zone Chairperson

Lion Bob Jackson
