From: Zone Chair Lion Lee Stone
Southwest Region Zone 2

I will be stressing the use of exit interviews for members leaving the club at my upcoming club visits.

Although I have had no definite response at this point a couple of clubs seem to be interested in a retreat, but it appears I may have more work ahead of me in this area. Interest needs action to create the retreat.

I have spent the majority of my time at these first visits observing, and listening. This has helped me to better understand each club, and how they are working.

I will be conducting "HOW ARE YOUR RATINGS" surveys at a couple of clubs in the upcoming months.

I will also be helping clubs develop Orientation programs where needed, but at this point, the majority of clubs already use an orientation plan of some type, that works well for them.

Every club I visited is working on plans for new or enlarged fundraisers at this point.

I will be working with the clubs that seem to have a problem with their reports. So far it's been better than I anticipated, but not yet at 100%, so I will be addressing that issue as needed.

I am looking forward to returning to each club in this Zone, and working together to help grow and strengthen the clubs and my knowledge.

Respectfully Submitted
