The Webmaster Team

Governor, we are happy to report the website is as current as we know it to be. Lion Sandy is keeping the Calendar of Events up to date. We have been using the Website as the master for information now that the District Directories are printed.

I would like to have each Cabinet Member write a one page or two on their Cabinet Responsibilities and send to me. I will upload it to the Website under their name so that anyone can get their information. This will provide information to all of the Clubs and the Chairpersons will not have to try to explain their duties at a Region meeting in under 2 minutes.

It was suggested to add a page for news on Cabinet Members. I have added a button to click on the left side called "Cabinet News". I can list any health issues and any good news items. I can only report what I am told. We are always looking for any other improvements anyone sees. It is a work in progress.

I am putting all Cabinet Member reports onto the Website for the Second Cabinet Meeting. When you go to the Website, at the bottom on the left hand side is District 1-J Cabinet Meetings. Click on it and go to the Cabinet Meeting to see all of the reports. If the item is Blue and Underlined, there is a report to see.
