**RE: Status of My Action Plan for Lion Year 2008-2009**

**Action Plan for Lion Year 2008-2009:**

1. *To get as many clubs as possible to communicate the MMR and club activities to me via electronic methods.*  
I am getting less than 10 communications now via U.S. Mail each month – that was unheard of several years ago.
2. *To encourage Club Secretaries – Lions, Lionesses, and Leos – to send club information to me soon after they file their monthly reports.*  
E-mails from clubs are arriving by the last day of the month – few are coming later than that.
3. *To continue to encourage Lions, Lionesses, and Leos to “toot their own horns” about their clubs and activities by using material I receive from them in the various sections of the Journal each month.*  
Hearing from clubs that I haven’t in the past year or so means, to me, I think that I have reached some of them.
4. *To continue the high quality of output from 1-J – from the Journal and the District website.*  
An idea I’d like to try next Lion Year – look for “Region Editors” – at least one, or possibly two, from each Region. My search will begin in Jan. 2009 with an article in the Journal. A handout will also go into the envelope at the Feb. round of meetings.  
These Region Editors will handle news for clubs in their Region, forwarding it to me as Editor-in-Chief. The Region Editors would not have an overwhelming amount of work to do and it might reduce my workload also. I’m sure that some new ideas might come from this new alignment structure.  
E-mail should make communication between all of us quite easy. I do think that it’s something worth trying.
