1. Attended three meetings in the second set of region meetings. Action Plan: I'm planning on attending more of the region meetings and distribute letters discussing the programs below.
2. I have completed the action plan for the Low Vision "Seeing is Believing" program per schedule from the Deicke Center thus far. Action Plan: I plan on calling the Lions Clubs that have children scheduled from their area for the Low Vision screening. Invited them to attend the screening and asked them to donate back to the Lions Foundation to help this program.
3. No assistance to families for social services and referrals program of low vision and medical aid. Action Plan: To assist families as needed when required.
4. Report and Action Plan: Promote used eyeglasses/hearing aid collection programs along with used old metal keys and used cell phones at region meetings.
5. No contact with the other districts at this time. Action Plan: Inform other District Vision Screening Coordinators of screenings taking place in District 1-J representing children from their towns in other districts.
6. Schedule was not issued in time for the September schedule invitations to Lions clubs. Action Plan: Contact the Lions clubs that have been invited to sponsor the Diabetic Retinopathy/ Macular Degeneration Screening Van and remind them to respond either way for District 1-J sponsorships in the month of September.
