

January 10, 2009

District Governor Nancy Rex –

Over the coming months, I plan to continue to talk about our Lions of Illinois Foundation and the benefits to our local communities. One particular area I would like to focus on is infant screening for both vision and hearing.

Along with talking about the various programs I will continue to encourage clubs and individuals to support our endowment fund to keep these wonderful programs running. I will be encouraging short roundtable discussions at zone meetings pointing out the various awards that are available to clubs and individuals for giving.

It is an honor to continue to serve the Lions and the people in our District.

Yours in Lionism,

William F. Kren, P.D.G
