Subject: Cabinet Meeting Report

The Clubs of the Fox River Region—Zone 2 continue to Serve and are strong and active.

Although we are down in membership (-2) most of the drops have been valid drops with the clubs trying to keep the members from dropping. In the cases where we have lost a member of two, they have been “healthy” drops. As the former members were either disruptive to the harmony of the club or illness has caused the drop.

I have encouraged the clubs to keep the members who have fallen on economic hardship, but several of the clubs are reluctant to start that precedence fearing future financial hardship on the club and indeed this is a very valid concern.

Two of the clubs are coming up with alternative dues pricing to ease the strain on the pocketbook, thus allowing members to remain active, without being embarrassed or having to drop.

The October Region meeting was “successful” with 100% of our Lions and Lioness Clubs represented and over 130 in attendance. Due to time constraints, we had to forgo the Round Table discussions. Lion Bob and I are working on how to pack more into the already tight schedule while accommodating 17 clubs and our District Officers.

I was able to attend the MD-1 Forum, attended the other 4 Second Round Region meetings and visited all 8 of my clubs. It has been a busy first half of this Lions year!!!!

Lion Lynn Raske, ZC
