HAPPY NEW ½ YEAR!

That's right, we're ½ way through the current 2008 – 2009 Lions year, so here's the District 1 – J Team halftime report and pep talk.

At the time of this writing the Lions Clubs International Cumulative Report for December was not yet available, so statistics are from the report ending November 30, 2008.

Our offense has been working hard, scoring 77 points (new members). Our defense has not been so good, giving up 96 points (dropped members). We're down by 19 going into the second half. We can come from behind if we work hard. Keep the offense going. Step up the defense.

In spite of the work done by various Zone Chairs and other cabinet members during past years, the Montgomery Lions Club is out of the game, and it seems like the Carol Stream Lions Club will soon be gone. Although the number of players lost is small since both clubs have been struggling and declining in membership for years, the total number of Lions Clubs in District 1 – J will go from 75 at the start of the year to 73. There is little offense in this part of our game plan only talking and thinking about new clubs. We'll have to hustle if this talking and thinking is going to add any new clubs this Lions year.

District 1 – J still leads the state of Illinois with 2808 Lions, but we must continue to work hard at Membership, Extension, Retention, Leadership, Orientation, and Women and must step up our game to stay in the lead.

GO, TEAM. GO! SANDWICH IN TIME FOR SERVICE and make MIRACLES THROUGH SERVICE happen.

Lion Nancy Rex, Governor, District 1 – J
