RE: 2009 - 2010 Goals

My goals for 2009-2010 are very simple and straightforward. I will be reaching out to every club in my Zone and will continue to have clear lines of communication and support. I will foster open communication and work toward proactive solutions to any problems that may exist or arise. I will encourage each club to keep focused at all times on why we choose to be lions . . . service!

I also have a few personal goals. I will personally bring a positive attitude in all situations. I will try to be proactive and not reactive (key word try!). Finally, I will strive to encourage other Lions both in clubs and on the district level to move from stagnation to fluid motion remembering at all times that “We Serve”.

Peace in Lionism –
Lion Maria K. Andrews
