I am reminded of a bumper sticker, and refrigerator magnet that said something like "How many were there? How fast were they going? Which way were they headed? I've got to find them. I'm their leader."

Our committee is already underway for the District 1-J convention with solicitation of ads and information for the convention booklet, registration forms and program planning. I'm just compiling their efforts. What a great group.

We possibly will have a talent effort on Friday night put together. With Susan Crossen Knutson promoting it...I will say it will probably be an event, so I will hesitate to labeling it as a talent contest. Watch for what she develops.

Club wanting to host a hospitality room must write me between October 1, 2009, and January 31, 2009. With attendance at a lower level, we are limiting the number to five. The first three belong to the District, 1<sup>st</sup> VDG and 2<sup>nd</sup> VDG. Two will be open unless the first are refused for some reason. First come, first served. Club visitors that hear of an interest of any club, should advise members of that.

We return to the Hilton Lisle/Naperville, April 9, 10, 11, 2010.

Our committee will be seeking help in various ways. I ask the Lions, like they always do, to step up to the plate and help when asked. Also, any promotion of the convention that any of you can do is appreciated.

We will work to make this a great convention, and take nothing for granted.
