From: Lion Susan Galvez
Diabetes Awareness Coordinator, District 1-J

This is my third year in my position as District 1-J Diabetes Awareness Coordinator. This year I plan to work on increasing the Lions Clubs' awareness of this program in several ways.

1. Presentation: visit at least 4 clubs or at Zone meetings
2. Send out a newsletter in October highlighting the November as "National Diabetes Month"
3. Send out the letters and reminders in January about the March Diabetes Awareness Program – March campaign
4. Post announcements in the District newsletter
5. Hold a schooling at the District 1-J Convention in April on Diabetes Awareness
6. Send report cards to the cabinet and all the Lions Club in the district

I look forward to our Club's increase participation and contribution to this Program.
