Coordinator Vision Screening/ Used Eye Glasses

My goals for 2009-2010 are to support and promote the sight and vision programs of our Lions of Illinois Foundation. This will be accomplished by contacting Club officers encouraging them to have their Clubs sponsor the Diabetic Eye/ Macular Degeneration Screening Program stressing the fact that this program is one of the best community services that their Clubs can offer.

I also intend to inform the Clubs about Low Vision Screenings when available in their communities. Not enough Lions are aware of this program and how much it does for visually impaired children. Clubs will also be asked to continue the collection of used eye glasses. I'll offer whatever assistance I can give to Clubs that are weak in this area.
