To: George Endean, District Governor

From: Bob Gilke, Extension Chair

At the Joint Cabinet meeting I passed out a list of towns not served by a Lions Club and asked for input as to whether a club could be started in those towns. The ONLY response I got was from PCC Landon who indicated several small Fox River communities that would not be prime targets for a new club. The hospital club will happen but not before the start of next year. Ethnic clubs are a good possibility but again, I need input as to community ethnic leaders, groups, etc. so we can move forward and make contacts. With the help of the Cabinet we could see several new clubs in the coming year.

I look forward to input from all Cabinet members regarding Extension. As always, "Have Fun Being a Lion."
