In our District 1J, we have many clubs who participate with their local schools in this project. I would encourage any club who has not participated, go to the Lions International website and look thru all of the materials available on the Peace Poster Contest. I realize that there are many schools who are not allowed to have outside organizations come in with projects – but there are many who are open to having outside participation. Contact clubs who are doing the project now to see how to get started.
