Report on Leo's for the Cabinet meeting.

August 22, 2009

I would like to apologize for not attending due to a previous commitment.

I have some goals for this year regarding the Leo Clubs. I would like to make it my mission to contact each and every Lion Club, whether they have a Leo Club or not. I would like to speak to the President or attend one of their meetings.

First, I would like to speak to each club that does not have a Leo Club and encourage them to sponsor a Leo Club. I believe all Lions give of themselves in many ways, by participating in fundraising and community projects. There is nothing more important or rewarding than to teach youth how to give back to their community. I would like to explain to the clubs, that the youth are our future Lions. I would like to make sure all Lions understand that kids of all ages are in need of service hours, Jr. High, confirmation classes, and high school kids looking at colleges all have a need to do service. Kids ages 12 to 18 are looking for the opportunity and we as Lions need to make sure that they know about Lions.

Second, I would like to contact each club that has a Leo club and find out how each club runs their meetings. How often they meet, how many Leos are in each club, projects they work on, the money they raise and where it goes.

After I have spoken to each club I would like to then send out packets to each club on projects that have been successful for other clubs. Sharing info between clubs.

I am open to suggestions and ideas please let me know if there is any thing else you would like me to look into.
