Subject: Goals For Year 2009-10  
District Constitution & By-Laws

The goals of this committee for the current Lions year is to review our district guidelines and make sure they are in line with the State of Illinois and Lions International C&BL.

At the state level there has been nothing formally introduced to our committee for consideration as of this date. If any club in our district wants to change any part of our district guidelines they should submit the change to me before our next cabinet meeting on October 17, 2009.

Make sure your follow the proper procedure for submitting proposed changes to our guidelines. Those procedures are the same as the state procedures are for a change to the state C&BL. Changes received after the October 17, 2009, date will not be considered for the current Lions 2009 - 2010 year.

Respectfully submitted,

*PCC Tom Wright, Chair*
