

Annual Illinois Lions Walk for Sight

Support Your Local Organizations

They Walk, We Walk & We All Share the Money

Everyone in the family
can walk!

The local Scout Troop, School Band, Booster Club, Church Group, Youth Club, etc. can raise significant money for their organization. The next time they come to you for a donation... instead of just writing them a check... ask them to participate in the Illinois Lions "Walk for Sight." A significant percentage of what they raise will be given back to them through your Lions Club. You can help their worthy cause by having them help your worthy cause— children and adults that are visually impaired or blind.

Get your local organizations to join us on Sunday, June 6 at Peck Farm Park for the Lions of Illinois Annual "Walk for Sight"!

What we need you to do...

Go to all of the Churches, Schools, and other groups that make your community a better place to live and offer them the opportunity to keep 40% of the money they raise while the LIF carries 100% of the expense of the Walk.

After opening the door to the organization, contact your District Trustee or the LIF office as to who to contact in that organization and we will make a presentation to them.

This is a win-win opportunity to raise money.

*They Walk, We Walk &
We All Share in the Money!*
