Regarding: Report For 2<sup>nd</sup> Cabinet Meeting

I am pleased to share that the year is coming along very well. We had a wonderful first Region Meeting which was sponsored by the Darien Lions. The theme was "Lions Pride" and it was delightful to see all the lions wearing their "Lions Gear". We even had a visit from an actual lion (a Woodridge Lion in a lion costume!). It was great to see that so many clubs were present. I hope to have even better attendance at our next meeting.

In working towards my goals reported from the last cabinet meeting, I have opened communications with all the clubs in my zone and have heard positive feedback because of it. Many of the clubs feel that we need to support each other by attending each others club activities. I will be working to set up an "Activity Alert" via email to the club officers in my zone.

Our weakest tasks are the monthly reports. I will continue to improve on the timeliness of these reports and hope to have 100% reporting by December. In talking with many of the clubs, they just put that task to the bottom of their "to do" list.

I made a visit to the Lisle Lions and had a delightful time listening to the various projects they are doing as well as the projects they have planned for the remainder of the year. This club knows what it means to "Serve"!

My next visit will be to the Darien Lions. I am looking forward to observing how this club functions and what they do to be such a successful club.

Peace in Lionism –  
Lion Maria K. Andrews
