To: Lion George Endean
Governor District 1-J
From: Lion Randy Endean
Lions Alert Chairperson
Subject: Goals and Objectives
Date: October 9, 2009

Lion Tom Reichold, Lions Alert co-chairperson, and I (Lion Randy Endean) have met to prepare for both short and lengthier presentations on the Lions Alert Program. We have taken efforts to spread the word of the program and have since been invited to speak at club meeting within the district. Some of the upcoming Lions meetings we will present the program to are Downer Grove noon, Lombard, South Elgin, Elmhurst Noon, Wooddale and Downers Grove noon. We are also preparing for a presentation downstate in November.

I must also say that we have appreciated the help of the Zone Chairpersons and cabinet members in helping to encourage invites for us to attend club meeting to present Lions Alert.

Since Lions International has partnered with the American Red Cross, I have attended training through the Red Cross and have become a certified CPR (adult, child and infant) and AED instructor. This would allow myself to train Lions club members if they so desired to learn CPR as we grow with the Lions Alert program.

One of the great things about Lions Alert is it is taking of the motto "We Serve" on step further. Lions can receive some training and then become as involved as they can to come to aide a family in their community who may have become displace by fire, flood, weather, or they may respond to provide aide to another club in their region or the District whose community may have suffered from a severe storm or other type of disaster.

Lion Tom and I are picking up momentum and are excited about Lions Alert and what away to expand on our Lions motto, "We Serve" and well as expand upon the slogan of the current District 1-J governor, "Speed of Service."

Yours in Lionism,

Lion Randy Endean
