Subj: Cabinet Meeting Report

We are still loosing Members. As of the end of September, 2009, Lions International is showing that we have a net loss of 23 Members. However this may not be exact, as there are several clubs that have not submitted their Membership Reports.

Our Membership/Retention meeting was excellent. The presentations that were made provided information that our Clubs can use in their Membership/Retention Programs. I am sending out to the Club Presidents of the Clubs that did not attend a copy of the Power Point Presentations and 5 Books on Retention for their use.

October has been a good month for our Clubs to bring in new members. I have inducted 7 members at two Clubs, and will have an updated total for the Cabinet Meeting from the Membership Reports that are submitted by the meeting. If the drops are low for October are Net Totals should show an increase.

I will be passing out a CD of all of the sessions held at the USA/Canada Forum to all of the Zone Chairpersons. The CD's will provide them with information they can use when they visit their Clubs. I will also be sending the club Presidents a list of some of the subjects that they may want, and will provide for them.

Keep up Speed of Service, Helping Others

Yours in Lionism
