From: LIF Trustee Lion John Landon, PDG, PCC

As of 1 October only one Foundation activity, the Candy Day Jamboree, has taken place. Attendance was better than in the past few years with more clubs attending and more Lions total. This portends well for 2009 Candy Day I hope. It also shows increased participation in Foundation events.

I have visited three District 1-J Clubs to further my goals and the Foundation's goals.

One bit of news, the Walk For Sight on June 6, 2010 will be held at a combination Park District and School District site just west of Randall Road in Geneva. The previous site, Danada Equestrian Center, was fine, but we decided that the cost to use Danada was prohibitive. Costs at the Geneva site will be minimal. More details as they become available.

Incidentally, PDG Lion Don Forni, who is retired from the Geneva Park District, was instrumental in helping the Foundation and the Walk Committee make arrangements for the Geneva site. He deserves our thanks.

Yours in Lionism,  
John Landon, PDG, PCC
