**Subject:** Goals

I feel I am doing well on meeting my goals for this Lion's year. Below is my status.

- *Continue to observe and learn from the Leaders of District 1-J as I move towards becoming a Governor.*  
As this is an ongoing process, all I can report at this time is that I am observing the Leaders of 1-J and MD-1.
- *Communicate with the clubs of the FRR all information regarding District 1-J and LIF. This will be done by Club visits and holding Region meetings.*  
I have scheduled visits with all of the Zone 1 clubs and am keeping those appointments. Our First Region meeting was a success with all clubs represented and a great deal of information shared between the clubs and the Cabinet.
- *Support my fellow ZCs by attending as many as possible of their Region Meetings.*  
I have attended all of the first round Region meetings. Typically the second round will be a bit more difficult due to weather concerns, but I will put my best effort into attending.
- *Continue to organize the ZC meeting as I feel very strongly that these have become vital and productive gatherings aiding the overall functioning of the District.*  
As I think this is a critical aspect of the overall success of our District, I will continue to organize and lead these meetings. We (the ZCs, along with our PDGs who act as advisors) have had very productive meetings.
- *Work with our new FRR Zone Chair, Bob Fowler so we can become a strong team of leaders of the FRR.*  
Bob and I have met and communicate as needed regarding the status of the FRR.
- *Support the District by attending District functions, Conventions and Cabinet Meetings to the best of my ability.*  
I have attended all of the Cabinet, Region and ZC meetings. I have also attended the Candy Day Jamboree. I plan on attending the MD-1 Forum. I was unable to attend the Membership Retention meeting as I was having a houseful (25 people) that day.
