Subject: USA/Canada Lions Leadership Forum

I am in the process of beginning publicity for the 2010 USA/Canada Lions Leadership Forum. The District Newsletter and various email campaigns will be used to get the word out to as many Lions as possible within our District.

It is my hope that District 1-J attendance at this year's forum will see an increase over last year's forum. This is because this year's form will be held in Milwaukee, Wisconsin from September 23rd through the 25th. It will be closer to home than Memphis. There might be a few Lions, concerned over hotel cost, which would consider the possibility of driving back and forth between home and the forum. Individual Lions close to the Wisconsin border may look favorably at this approach.

I urge all members of the District 1-J Cabinet to include this year's USA/Canada Lions Leadership Forum in their comments during club visits.
