**ZC Report 2009-2010**

**Lion George,**

**So far my year has been going quite well. One of my goals was to have successful Region Meetings and I believe we did. I look forward to the next one in February.**

**One of my other goals was to be a plus in membership and zone one is struggling with that at this time. I am going to chalk the negative membership up to house cleaning and the economy. The Eastern Region has held its own in the past and I do think we will rebound in the second half. At least I am hoping at this time.**

**My club visits are going quite well. The clubs are very enthusiastic and when you get that. That is a good sign.**

**I have great region and I hope to end up with a positive year.**

**Once again; thank you for allowing me to serve on the cabinet and I look forward to working with you and all the clubs in the Eastern Region for the remainder of the year.**
