HAPPY NEW YEAR FELLOW LIONS,

The progress of my '09 – '10 goals is thus:

1. Maintain a good rapport with my clubs.  
I visited all of my clubs and submitted reports on the visits. I also helped with functions that my clubs were involved with.
2. Do all I can to establish a Leo club in the middle school that includes Waterman, Shabbona and Lee.  
At last report, there was progress on the formation of the Leo club.
3. Encourage all my clubs to file their WMMR on time.  
This is my problem child. I have found out that some clubs file with International and don't send me a copy, and one files sometimes with me and not with International. When club secretaries do not attend pres. – sec. training classes, they miss a great deal. We need to stress the importance of this training session.
4. Strive to keep District 1-J the cohesive, dynamic unit that it is.  
When you see the numbers in MD-1, they speak for themselves. District 1-J is a well maintained, driving force. The implementation of zone chair meetings is another example of our determination to remain at the top. On top of all the regular meetings during the year, we chose to meet on our own every six weeks to ensure smooth transitions for each governor-elect, and to seek solutions to problems before they get out of hand.
5. Be an effective liaison between my clubs and our executive staff and cabinet.  
This is done by means of club visits and reports. The reports filed in a timely manner following a visit are a barometer by which the executive staff and cabinet can keep abreast of a club's progress.

This concludes my report. I wish everyone a Happy New Year and continued success.

My Pleasure To Serve With You,

Lion Chris Halsey  
Zone 1 Chairperson
