This year the committee concentrated on changing the Guidelines to show chairperson in place of chairman. This was our priority for this year. We received no resolutions from any club in district 1-J requesting changes to our district guidelines.

The State of Illinois C&BL Committee had a request from the Council of Governors to have a resolution ready for the Council's consideration to sell the state office building in Petersburg. As of the writing of this report a date for the State C&BL Committee has not been set for this meeting, but it will be before the Council of Governors meeting which is scheduled for February 5-6, 2010. This was the only request made to the State C&BL for this year. No other resolutions were submitted by any Lions Club in the State of Illinois. We will have to see if the Council approves of the resolution we send to them concerning the selling of the state office building.
