

TO: All LIONS, LIONESS, AND LEO IN DISTRICT 1-J

FROM: Lion Tom Wright, PCC

RE: **CONSTITUTION & BY-LAWS**

This committee meets at the discretion of the chair depending on resolutions being submitted to it by the clubs in the district. The committee is composed of a zonechair from each of the five regions. The governor, the vice district governor and the cabinet secretary/ treasurer are also invited to attend. The committee reviews the resolutions as to format and content and sends them to the state Constitution & By - Laws Committee for review.

Once the resolution has been reviewed by both the district and the state committees it goes on to the council of governors for discussion and recommendation to placed on the ballot. The delegates at the next state convention have the opportunity to vote on the resolution.

If a club wants to submit a resolution to be voted on at the next convention it should be in the hands of the district committee chairman no later than October 31.

Remember the date of **October 31**. Any questions or concerns should be addressed to:
