

To all District Lions, Lioness and Leo Clubs

From: Lion Paul Groth
Leadership Chair – MERLOW team

My duties as the Leadership on the MERLOW team is to help strengthen your club's leadership in any way I can. I am available to speak at any club in the district with an advanced notice.

Does your club have the same people running everything, not allowing other members to step-up? If so, you might have a leadership problem. Same can be true of your board of directors, if they never change, is this beneficial to your club in the long-haul.

These are not the only issues that indicate that leadership might be a problem, each club is unique which is part of what makes this job very challenging!

If you would like ideas on leadership and would like me to visit your club, please give me a background on what the problem is, so I can better prepare for your club's unique situation. Together, we can make a difference.
