

As Senior Zone Chairperson, I have the same duties as a Zone One Chairperson, in that I have 7 Clubs that I have to visit twice this year, and I have three Region Meetings for the Central Region to set up.

I am the Central Region Group Coordinator for Sight First II, and as coordinator I am working with the Central Region Clubs to make Sight First II a success.

In order to prepare myself for Vice Governor I will be attending Senior Leadership Training at Oakbrook this year. I have also attended the USA/Canada Forum in order to provide myself with addition knowledge in Lionism.

I am working with my fellow Zone Chairperson as he will be the new Zone One Chairperson next year.

At the District Convention I will be doing the Necrology Service for our District.
