Renee Reeder

Central Region
Zone 1 Chairperson
Lori Chassee
Zone 2 Chairperson
Tim Janis

November 27, 2017

Dear Lions of 1-J,

Our District 1-J Convention will be held April 6th through April 8th, 2018 at the Chicago Marriott Naperville Hotel, located in Naperville, this coming year. Our theme is "A Winning Hand, Lions in Service" since our next International Convention will be held in Las Vegas, Nevada.

I will be assembling the Convention Booklet again this year for all the convention attendees. Every club is entitled to a write-up on their accomplishments this year, so please submit one. It is limited to one page, which is about 2,500 characters or approximately 450 words. Remember the more characters you use, the smaller I will need to make the font to fit it in. If the font gets too small to read, I will edit it to make it fit. Attached is the club order form with instructions as to where the ads should be sent. The deadline is March 1st, 2018 for the submission of the ad and club write-ups.

Clubs are encouraged to purchase an ad in addition to the free write up, as it will help offset the printing and convention costs. I have included a copy of the ad order form with this letter. Submission of the ad and write ups electronically are preferred, but if you need to mail the write up and ad please send it in early if possible to allow enough time for me to scan and format it for the book. You can send the club write-up and convention ad to me at [Lion Jerry Perez@Hughes.net](mailto:LionJerryPerez@Hughes.net). Feel free to give me a call at 815-501-0101 if you have any questions.

Yours in Service,
